Theft From Motor Vehicles

Despite our crime statistics going down across most categories, theft from cars remains a blight across Charlton, and is rife throughout Greenwich. It has been nominated as a policing priority for our area and our Safer Neighbourhood Team are taking action to prevent this. They will be 'intelligence' led so it is very important that you report your car being tampered with, even if nothing is stolen, so that they construct a good picture of 'hot spots'. Crime can be reported by ringing 101 or online at <https://www.met.police.uk/ro/report/ocr/af/how-to-report-a-crime> or contact our SNT Policing Team – see numbers opposite.

Or if you'd prefer, why not get in touch with your CCNW Co-ordinator?

DON'T BE INTIMIDATED BY ANTI-SOCIAL BEHAVIOUR (ASB)

We are aware of ASB around the station, Sainsbury's and the Charlton Church Lane shops.

We don't have to put up with this.

If you are approached by people asking for money then do the following:

- 1) Say politely, 'I'd like to help, but I don't have any cash' and walk away. Do not engage them in further discussions.
- 2) Don't look away if asked for directions etc. as distraction is a common tactic for thieves.
- 3) If they become aggressive, you shouldn't allow yourself to be bullied. Take a deep breath, walk into a nearby business or remain in a public place and if needs be ask for assistance.
- 4) Never go out of a public space.

To help combat this behavior we are asking you to do 2 things:

- 1) Call our Safer Neighbourhood Police Team on **0776 699 2585** Or **0203 276 0812** and report the ASB. Please put these numbers into your phone. If the police are on patrol they will come to your assistance.
- 2) Provide the SNT with details of the incident, including time and a description of the person involved. This is important as we are trying to build up intelligence on this type of crime.
