New Plan for Policing Charlton

The Mayor of London's Office has announced a consultation on a new Plan that will transform how London is policed. The ambitious plan aims to cut burglary, vandalism, car theft, personal injury, theft and robbery whilst making cuts to the service. This is to be achieved by a 'root and branch' sell off of properties ('bobbies before buildings'). Greenwich and Woolwich Police stations will close leaving Plumstead our nearest station. The Charlton SNT will change from 1 full time Sergeant, 2 full time Police Constables (PC) and 3 part time Police Constable Support Officers (PCSO) to one PC and one PCSO. Although there will be more police working in the Borough these will be reorganised into Inspector – led teams who will work in Local Police Areas (clusters of wards) with PCs and PCSOs working across wards according to need. These changes will definitely impact on services in Charlton. For a copy of the plan and information on the consultation go to: <http://www.london.gov.uk> or ring 0207 202 0162.

Anti-social behaviour near Charlton station

Residents have recently been concerned about anti-social behaviour around the station. In response to our concerns the SNT have increased patrols, dispersing groups and generally making their presence known. As a result there has been a significant reduction in groups hanging around the shops, especially during the early evening.

Drugs in Charlton

Intelligence regarding large scale drug production and distribution in the Charlton area has led to two search warrants being executed at a local address. If you suspect a property in the area is being used for any drugs related activities ring either the SNT on 0208 721 2734 or Crime-stoppers on 0800 555 111. All calls will be dealt with in strictest confidence.

Burglaries

Good news on burglaries. Residents may remember a spate of burglaries in our area during the Autumn/winter months. Our SNT working together with detectives from the Burglary Squad recently recovered stolen items from addresses in SE7 following the arrest and successful prosecution of a 18 year old. The burglar was sentenced to 10 months in prison. Also three men have been arrested and charged with an attempted burglary in Frank Burton Close.
