Firearms in Delafield Road

We are delighted to let residents know that the reports of a firearms incident in Delafield Road several weeks ago were hugely inaccurate. The police investigated the incident between a pedestrian and the occupants of a car parked by the Valley cafe. There were no firearms involved at all. Just underlines that fact that you shouldn't believe everything you hear 'on the streets'. Rumour squashed!

Calydon Road Shop

A number of residents have contacted the CCNWatch about several incidents involving anti-social behaviour demonstrated by some young people inside and around the shop on the corner of Calydon and Inverine Roads. It is extremely unfortunate that Jeevan, the very popular shopkeeper, was subjected to some harassment. However, it is good to know that the Safer Neighbourhood Team recently made an arrest and one of the young people involved is now serving a Community Service order. We'd like to thank everyone for their concern and support for Jeevan who provides such a valuable service to our community. If you know of anyone involved in harassment contact the SNT confidentially on 0208 721 2734.

Winning the war on crime

Pass on the good news - overall crime in RBGreenwich has dropped by 6.5% in a year. There have been significant reductions in burglary, violence and car crime. Youth offences including knife offences and gun crime are all on the decrease. This overall reduction is pretty much mirrored in the CCNWatch area with the exception of car crime where we are still seeing cars being broken into, largely to steal goods on display. Lock up your valuables and let's see if we can reduce the incident of this type of offence in our area.

Burglaries

A recent burglary in Delafield Road devastated the householder as the entry was through a second floor window. The opportunistic thief climbed a nearby drain pipe to gain access to the window at the back of the property. The Safer Neighbourhood Team have asked us to remind neighbours about securing the back of their properties, especially over night. We haven't had much of a summer to date but on those rare hot and balmy summer nights be sure to lock or secure your windows. It is better to be hot indoors than burgled!

Safer Neighbourhood Team – Street Briefings

Do you have an issue you'd like to share with our local police? Do you need some advice about law and order? Why not pop along to one of the regular 'Street Briefings'? The SNT holds a regular series of Street Briefings which are outdoor meetings that any member of the public can attend. Just turn up and have a chat. The next **Street Briefing** in our area is Tuesday 14th August 2012 starting at 20.00pm and finishing 21.00pm at Hornfair Road SE7 at the junction with Kashmir Road. The next **Drop-in Surgery**, which is an indoor one-to-one consultation session, will be on Wednesday 15th August 2012 starting at 16.00pm and finishing 17.00pm at Charlton Triangle Offices, Cedar Court SE7. A further **Drop-in Session** is arranged for Wednesday 22nd August 2012 starting 12.00pm and finishing 13.00pm at Charlton House, Charlton Road SE7.

101 - number

Remember if you want to report something to the police that isn't an emergency you can contact our SNT at 3 Mar House, Springfield Grove, SE7, 0208 721 2734 or 07766 992585, but they have restricted hours. To report an incident/crime which doesn't demand a 999 response then ring 101
