

Charlton Village & Riverside Safer Neighbourhood Team Newsletter December 2023 Greenwich Police

Charlton Village & Riverside Ward

A very Happy New Year to you on behalf of our team.

Over the last month your ward officers have been continuing to deal with a range of ASB issues across the ward.

Dedicated ASB Patrol: In response to reports of anti-social behaviour, we've been patrolling Barney Close, Charlton Station, Church Lane and Charlton Park. Which are known hotspots, resulted in two stop and searches for Drugs.

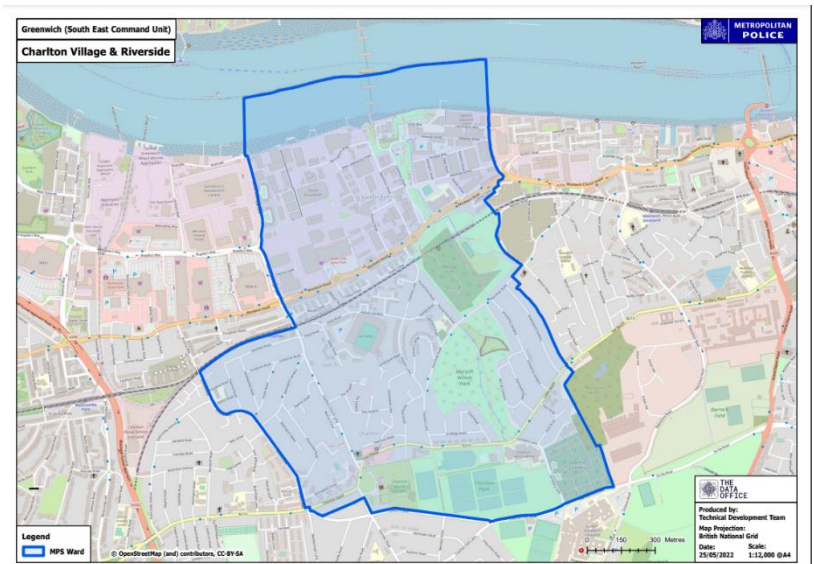

We helped with squatter's eviction from a building in The Heights, this was a multiagency cooperation after local resident's complaints. Hopefully this intervention will reduce significantly ASB in the area.

We are dealing with reports of dangerous Dogs at Charlton House and Maryon Park, an investigation is ongoing, extra foot patrols are in place to reassure residents and park visitors.

Helping other agencies with mental health assessments and residents with breach of peace. Research is being conducted on a number of locations regarding warrants for a number of issues, while liaising with other agencies.

Working with other wards we have assisted with traffic operations on the periphery of our wards targeting criminals commuting into our patch.

Please remain vigilant and contact your local teams for advice.
